Prevent • Empower • Support

+ Why do we do it?

- Economic Indicators #1 reason for staying in an unhealthy relationship
- Most survivors lack access to mainstream financial products which increases risk of accessing predatory products (check cashing, title loans, payday loans, rent to own, paid tax preparers)

AFI Virtual Coffee Series

- **Webinar 2: Partnering with Higher Education Institutions-**
Monday, July 11th, 2:00-3:30 PM EST

Developing strong relationships with local higher educational institutions can enhance the impact of AFI grants that allow for post-secondary education IDAs. From recruitment and raising the non-federal match, to supporting clients in successfully getting to asset purchase, AFI grantees are partnering with colleges around the country to optimize their grant and make a difference in their communities. Participants will learn from grantees and partner institutions as they share successful practices and lessons learned.
